

# 29th Annual Best of Buffalo Mystery Day-Trip!

**Tues., February 22, 2022 Cost Per Person: \$122**

**Dear Way To Go Traveler,**

There is something catchy about that 2/22/22 or 2/22/2022 date. There is also something catchy about Buffalo, NY as it catches on in the country about It's curious calculations of curiosities! Just trying my hand at alliteration this AM!

We had a wonderful time on the August 24th Best of Buffalo day-trip as it was postponed from last February! How many know about Assembly 150 near Elmwood Avenue? The 50 people on the 28th Annual Best of Buffalo Day-trip do! Or how many have seen the Larkin Building with a museum of many Premiums (gifts to the buyers of Larkin Products) from long ago? 50 people I know do!

This leads me to the 29th Annual Best of Buffalo – it is going to be another mystery Best of Buffalo. Way To Go Tours had used Chef's many a year – but presently they are not opening til 4pm. We switched to the Big Ditch Brewery for our luncheon. A September, 2021 article by TripAdvisor on Buffalo restaurants rates them the No. 6 in the city. We will use Big Ditch again!

All tours require vaccination and face mask.
