

Rochester by Amtrak Train & Canandaigua Lady

Thursday, June 23, 2022

Price Per Person: \$159

Dear Way To Go Traveler,

This was one of our fastest selling day-trips ever. It sold out in 2 weeks after being in our May, 2021 brochure. And, it had the longest waiting list ever, 40 people were on the waiting list. Way To Go Tours did not wish to do a second Train Ride in 2021 until the first one was successful. IT WAS! Since the Amtrak train ride occurred in September, we decided to wait until 2022 to do our second. Basically, same as the first! Here it is!

Our itinerary:

5:45am—Bus Report time

6am—Sharp—Depart from McDonalds, Meadow Dr., in N. Tonawanda

6:20am—Pickup at Tops Supermarket, Main St., & Union Rd., Williamsville

6:50am—Arrive at Exchange Street Station. (Restrooms Available)

7:10am—Sharp! Train leaves the station.

8:26am—Arrive downtown Rochester “Louise Slaughter” Train Station

By 9am—Rochester’s Farmers Market—No. 1 Farmers Market recently in the USA. We found the best pastry shop. Bill Gorman again will be our local Guide.

9:45am—Off to the Charlotte-Genesee Lighthouse—America’s oldest Lighthouse on Lake Ontario. Many climbed the 32 steps to the top, browse the Museum, enjoyed the grounds—best view of Rochester Harbor. Lighthouse and Museum recently restored.

11:30am—Arrive at the Park Avenue Grill—they open especially for us. Some clients just don’t want to miss this luncheon—it has been wonderful year after year.

1:30pm—Depart Rochester for the Canandaigua Lady.

2:30pm—One and one-half hour narrated cruise of Canandaigua Lake. Year after year it rivals Lake Tahoe as the most expensive lake front property in the USA.

4pm—Arrive back at the departing dock and leave for Buffalo.

5:30pm—Arrive at Tops in Williamsville

6pm—Arrive at McDonalds in North Tonawanda
