

## 26th Annual—Skaneateles Lake Excursion— It's A Little Different This Time!

Tuesday, July 26, 2022

Cost Per Person: \$142

Dear Way To Go Traveler,

It's different in several ways this year! First, and foremost, Mid-Lakes Navigation has discontinued the 11am Judge Ben B. Wiles departure. (The reason—staffing concerns—was given.)

This gives the occasion to do the Mail Boat excursion which begins at 10am—it is 3 hours and covers the Whole Lake! The Mail Boat has room for only 34 people. The luncheon at the Sherwood Inn would begin at 1pm. Shopping to follow in downtown Skaneateles!

Here is our new itinerary:

5:45am—Bus Report time—McDonalds on Meadow Dr., North Tonawanda

6am—Depart promptly from North Tonawanda

6:20am—Pickup at Tops, Main Street by Union Rd., in Williamsville

Mid-morning break at Service Area along the Thruway

9:45am—Arrive at the dock in downtown Skaneateles—restrooms are right before boarding,

10am—3 hour excursion of the entire lake via Mail Boat. There are restrooms aboard the Mail Boat. Narration is given. There is an opportunity to purchase items at the snack bar.

1pm—Arrive back at dock downtown Skaneateles. Go directly across the street from the dock for a marvelous luncheon. See menu below! Time will be given to do shopping in downtown Skaneateles.

Leave Skaneateles approximately 45 minutes after the conclusion of our luncheon. Time will be announced.

5:45pm—Arrive at Tops, Main St., Williamsville

6:15pm—Arrive at McDonalds, Meadow Dr., N. Tonawanda
