Everything is home-made including the pies and mashed potatoes. The coconut cream pie there on July 25th reminded me of the first time I tried coconut at Shady’s Restaurant in Concordia, Missouri in 1962. First time I tried any thing coconut, It was 20 cents a slice and after the first piece I had to have a second, It almost brought tears to my eyes – Quehl’s Restaurant compared to Shady’s. They tasted so much alike.
