**How Low Can You Go!**

Many a year ago, I was living with Mrs. H as an intern and taught at the Lutheran School in Frankenmuth. She was a fairly recent farmer's widow, a 70 year old hard worker who hoed her own beans. Mrs. H moved off the farm and had this beautiful brick home built where she rented me a wonderful room and fixed all my meals. (Twice during the school year, I rushed to her home to change my pants whose bottom seams I had busted out.)

The major TV stations were out of Saginaw – the largest city in the area – with the First Ward being a major crime center. Nightly on the news, my Landlady and I received a daily dose of murder, theft, and major criminal activity. One evening while watching the news, I asked Mrs. H what she thought of all this awful news. Her answer was clear, direct and forceful, "I would run them over." I answered promptly, "Surely you don't mean that." She doubled down, "Yes, I do. I would run them down."

Now I had just turned 21 that summer and was trying to be a Christian teacher to my 34 – 4th graders at the Lutheran School. I also had a tremendous respect for my elders and always addressed them Mr. or Mrs. Sir and Madam. "Run them down?" Seriously?

The following was shared with me recently by one of my travel clients. She was at the cemetery to visit her recent husband's grave and see the new tombstone. You can imagine her emotions! A car had passed her car in the cemetery and she did not really pay attention to it. When she returned to her car, her purse was gone. Of course, she was angry with herself for leaving the purse in the car. She got it from some of her children. In talking with the staff in the cemetery office – NOTHING LIKE THIS HAD EVER HAPPENED in the 25 years some of the staff had worked there!

How "low" some people can go!

Best health and spirits as you enjoy the summer of 2026.

New York State Fair in a Day via Amtrak

Monday, August 31, 2026 Cost Per Person: \$149

Dear Way To Go Traveler,

This is a day-trip that will be done by Amtrak the entire day as our source of transportation. Since it was suggested to me by my late good friend, Bob Kothe—I'm nicknaming the train ride "**The Bob Kothe Special**" to the State Fair.

Itinerary Fine Points for a day at the State Fair:

7:15am – Check in with Jerry Waldkoetter, Tour Escort for the Day, at the Buffalo-Depew Train Station at 55 Dick Road, Depew, NY 14043 – inside the depot.

7:30am – Jerry will move to the departure platform by the train tracks. Everyone in the group moves with Jerry to the platform.

7:39am – Arrival time of Train 284 (it started the day in Niagara Falls) and departs immediately after loading all passengers for Syracuse and the New York State Fair. There will be one group ticket (Jerry has it) and all Way To Go Tour's clients will be on one Passenger Car. Train Fare is included in the price.

9:49am – Our train is scheduled to arrive in Syracuse – **ON THE GROUNDS OF THE NEW YORK STATE FAIR.** Please make note of your surroundings when leaving the depot because this is the depot we will be leaving from at 6:59pm for Buffalo-Depew station. The depot is actually on the site of the State Fair and you can see the State Fair from the train – it is right there. You will receive a Map of the Fair grounds and activities for the day as you enter the Fair grounds. You may be subject to inspection of carry-in parcels and possibly metal detectors.

RETURN TO BUFFALO

3:39pm – Be at the Syracuse train station depot one half hour at 3:39pm before Departure – Jerry will check you in. Once again, there is just one ticket for the whole group and since this train is coming out of New York City – our group might be in two passenger cars according to Amtrak Group Sales.

4:09pm – Train leaves Syracuse for Buffalo.

6:40pm – Arrive at Buffalo-Depew Station at 55 Dick Road.

End of Day-trip – have someone pick you up or park your vehicle for the day at the Train Station.

There is NO Fair admission cost required of persons age 65 and older to the State Fair. For participants younger than 65, please add \$10 to the Cost Per Person – total \$159.

All meals for the day are on your own. There is a Dining Car on our Amtrak train for the AM. I will find out if a Dining Car is open in the evening for the Buffalo-Depew return. No Special Programs have yet to be scheduled for the Grand Stand. Basically, you are on your own for the day with your friends and for the cost of any special programs or events,

If the Fair Board does begin charging seniors over 65 an entrance fee, Way To Go Tours will have to add that to the price of this day-trip. (Since I am writing this itinerary before basic information is out regarding persons 65 and over.)

Jerry will share his cell-phone number the morning of the tour.

Send check to: Way To Go Tours, 580 Ward Rd., North Tonawanda, NY 14120.

Questions: Call Jerry or Kathy at 716-693-0793. www.thewaytogotours.com ~ THANK YOU!

Joshua - Sight & Sound Theatre

Rochester by Amtrak – Now In Its 6th Season

Tuesday, October 6, 2026 Cost Per Person: \$189

Dear Way To Go Traveler,

As my Grandfather use to say, "Never look a Gift Horse in the Mouth." With Rochester Amtrak selling out each time that we offer it, it would be a tragedy not to offer this tour a second time during 2026! YES, the owners of one of our most popular restaurants, ever, The Park Street Grill, retired but everyone has to keep movin' on.

Our itinerary:

5:45am – Bus Report time (CORRECT TIME)

6am – Sharp – Depart from McDonalds, Meadow Dr., in N. Tonawanda (THAT IS THE CORRECT TIME!)

6:20am – Pickup at Tops Supermarket, Main St., by Union Rd., Williamsville

6:50am – Arrive at Exchange Street Station, Buffalo (Restrooms Available)

7:10am – Sharp! Train leaves the station.

8:26am – Arrive downtown Rochester "Louise Slaughter" Train Station

9am – Mount Hope Cemetery - 196 acres of stunning glacial terrain, historic mausoleums, and sprawling trees. Mount Hope overlooks the historic, peaceful valleys of the Saw Mill River, with glimpses of the majestic Palisades beyond the Hudson. It is the final resting place of notable figures like Frederick Douglass and Susan B. Anthony and is on the National Park Services National Underground Railroad Network to Freedom.

Mid-morning Activity: TBA – we will rely on our local tour escort to recommend the "best of the best" for a visit to a Rochester attraction.

11:15-11:30am – Arrive at Agatino's Restaurant

1:30pm – Depart Rochester for the Canandaigua Lady.

2:30pm – One and one-half hour narrated cruise of Canandaigua Lake. Be sure to watch the weather report and dress accordingly.

Last year, 2025, we learned that the going rate on Lake Canandaigua is \$8100 a foot going price for property with a shore line. (Most expensive lake property in the USA). About 75 yards walking distance from bus to boat! Very relaxing!

4pm – Arrive back at the departing dock and leave for Buffalo.

5:30pm – Arrive at Tops in Williamsville

6pm – Arrive at McDonalds in North Tonawanda

Jerry Note: Our motor coach will pick us up at the Train Station in Rochester at 8:26am for touring the rest of the day.

Deer Haven Park occupies 3,000 acres of the former Seneca Army Depot (10,000 acres) and contains the world's largest number of all-white deer in the world (Total approximate number 200-300 white deer) and American bald eagles and an amazing array of Flora and Fauna. The former US ammunition storage facility (largest on the East Coast in WWII) closed in the year 2000. We will be stopping by for a chance to glimpse these majestic animals and "Discover Deer Haven Park." (PR piece, Deer Haven Park.). We will have our own personal guide.
